

St. Mary's Bryanston Square School

Admissions Policy 2016/17

INFORMATION ABOUT PRIMARY SCHOOL ADMISSIONS: 2016/17

Admission Arrangements

St Mary's is a Church of England Voluntary Aided School and we participate in the Westminster scheme for coordinated admission arrangements. Applicants to St Mary's must complete the Westminster Common Application Form. The school also has a supplementary form that needs to be completed in addition to the Westminster Common Application Form. All forms are available from the school office.

Families are encouraged to visit the school and the school administrative officer will be able to answer your questions about the school.

As well as providing you with a supplementary form we will:

- put your name and address on our mailing list.
- give you a copy of our school prospectus and our Admissions Policy (also available on our website: www.bryanston.net)
- answer any questions about how to apply.
- ask you if you would like to be invited to an open morning when you would have an opportunity to look round and ask questions before applying.

In January, before the school year in which your child will be five years old, you will receive your supplementary form.

The Local authority Common Application Form is available to download from www.westminster.gov.uk or by contacting the School Admissions Team (020-7641-1817). You can also complete this form (Common Application Form) online.

The closing date for applications will be the date is 15th January, 2016.

We are allowed to admit 30 children each year but we often have more applicants than places. You may, therefore, wish to apply to other schools in the neighbourhood as well as St. Mary's.

Children are admitted to the Primary School reception in September of the year they turn 5 years old.

Places in Reception class will be offered on 18th April 2016.

If you are offered a place, which you accept, you will be invited to come with your child to spend an afternoon with us shortly before he or she starts school.

ADMISSIONS CRITERIA: 2016/17

There are 30 places available for our Reception class. Should there be more than 30 applications places will be offered in the following order of priority:

1. Children in care (looked after by a Local Authority).
2. Baptised (1) children living with parent or parents (2) who are resident (1) in the combined parish of St. Mary's Bryanston Square and St. Mark's, Old Marylebone Road and whose parents are practising (3) members of one of those churches.
3. Children living with parent or parents who are resident in the combined parish of St. Mary's Bryanston Square and St. Mark's, Old Marylebone Road and whose parents are practising members of a Christian (4) Church.
4. Other children living in the combined parish of St. Mary's Bryanston Square and St. Mark's, Old Marylebone Road.
5. Children living with parent or parents who are resident in, and practising members of a Christian church within the local area (5) (*the local area is defined below*).
6. Other children living with parent or parents in the local area, with preference being given to siblings of pupils who are already in the school (who will still be in the school on the younger sibling's starting date) who have not been offered a place under criteria 2 to 5.
7. If there are remaining places these will be offered to children living outside the local area and decided on distance from the school (see below). In exceptional circumstances a child may be admitted by the governors following consultation and where there are exceptional medical or social reasons and provided that they are satisfied that there is a medical / social need for that child's admission. Letters from appropriate professionals would be needed to support such an application detailing how the school can meet their needs and how they would suffer detriment if they went to another school.

In the event of equal qualification priority will be given in all categories to those children who live nearest to the school. Distances are measured by a straight line from the child's home address point (determined by Ordnance Survey data) to the nearest school entrance for pupils, as measured by the Local Authority's computerised measuring system. Where it is necessary to differentiate between applicants living in flats using the same street entrance, priority will be given to the applicant(s) living closest to the ground floor and then by ascending flat number order.

Footnotes

- (1) Confirmation of residence and/or baptism (if appropriate) is required.
- (2) This includes those having parental responsibility as defined by the Children's Act 1989.
- (3) For the purposes of Admission, the Governors deem "practising" to mean, on average, at least twice monthly attendance at Church for at least a full year.
- (4) For the purposes of Admission, the Governors deem "Christian" to mean membership of churches recognised by Churches Together in Britain and Ireland or the Evangelical Alliance.

Information provided by applicants about Church membership will be verified by contact with the churches concerned.

See attached map.

APPEALS AND WAITING LIST PROCEDURES

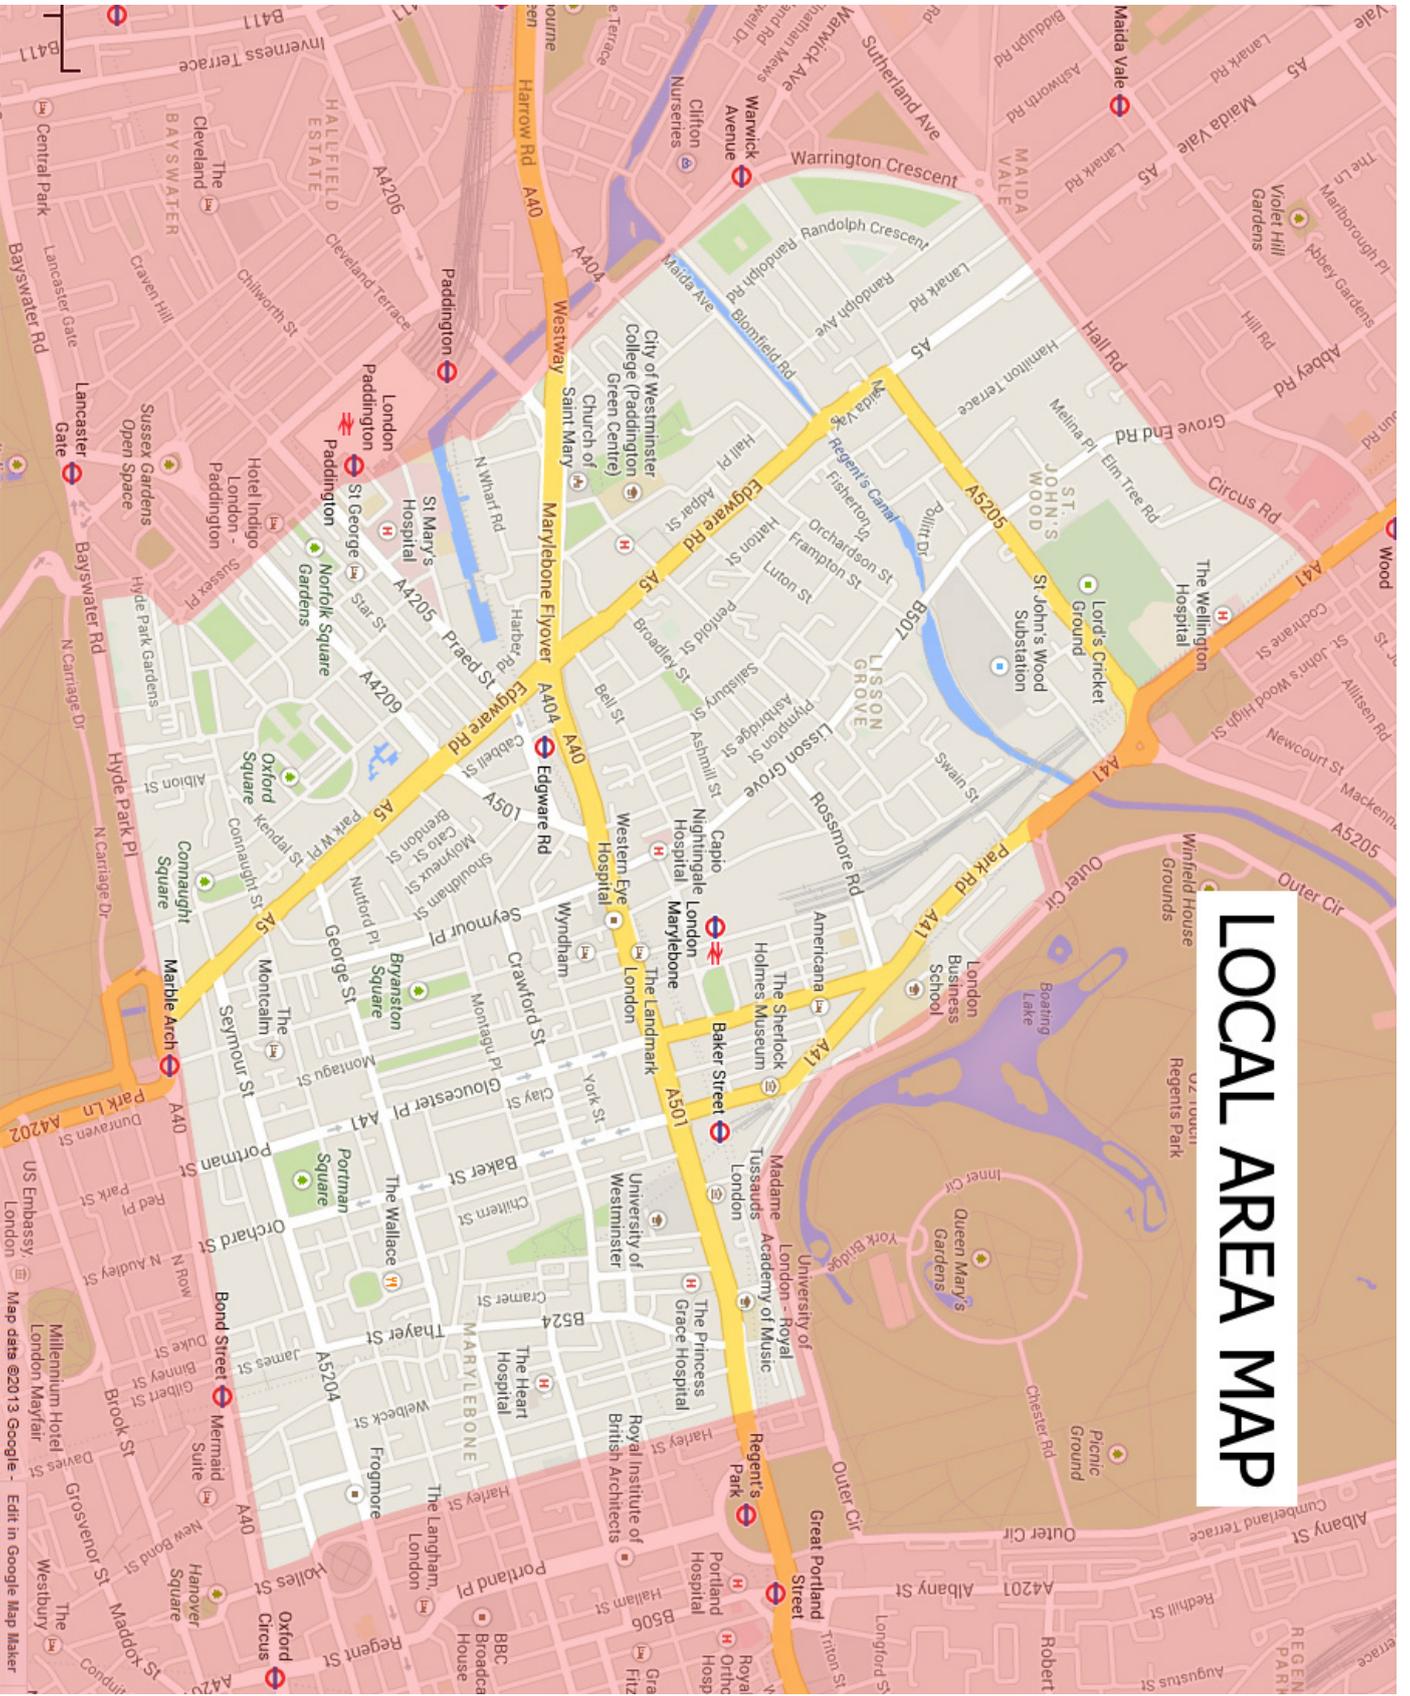

The decision to admit or to refuse to admit a particular child is the responsibility of the Governing body. Parents of children who have been refused admission to the school have the right of appeal to an Independent Appeals Panel which has been set up for the purpose. The procedures to be followed are the Local Authority procedures. Unsuccessful applicants will be added to the school's waiting list. Any places that subsequently arise will be offered to children on the waiting list strictly in accordance with the oversubscription criteria described above. Parents of children who have been refused admission may obtain a copy of the procedures from the school office.

CASUAL ADMISSIONS

Casual admissions are those which take place at times other than normal admission to the Nursery or Reception class. If there are no children waiting for places, admission will be on a first-come, first-served basis. Where we have more applicants than vacancies, admissions will be made from the waiting list in accordance with our admissions criteria. Unsuccessful applicants can choose to be placed on our waiting list; however parents are advised that the length of time on the waiting list does not determine admissions decisions. Our waiting list is reviewed and updated regularly.

This policy will be reviewed annually in November.
