

CLERGY FORM FOR ADMISSION 2017/18

To the Priest or Minister:

Please complete the attached form and post it in the envelope provided.

We have recently received an application for a place at this school for:

Name: _____

Date of Birth: _____

whose parents state that they worship in your church.

Because we have a number of admissions criteria, we need to try to gain some idea of the extent of parents' participation in the life of the worshipping community to know how to prioritise their application.

Would you be so kind as to return the form overleaf in the envelope provided, straight to the school?

We are sorry to have to ask you to undertake yet another chore when we know how busy you are and we are most grateful for your help.

Yours sincerely,

Emily Norman
Headteacher
