Year 6 Trip to the Serpentine Gallery

Yesterday, Year 6 took part in a workshop called 'Moving Up', which is part of a project supporting transition from primary to secondary school. They worked with an artist to create 3D artwork, which will be filmed in two weeks' time to create their very own film! Here they are in action:

You can see lots more photos on our website!

Recycling: A joint request from the Green Team and Playground Council

"The children in Green Team want to remind us all to KEEP RECYCLING, and RE-USING items whenever we can! To further this aim, do you have any odd bits and pieces of cloth, textiles, wool or ribbon you no longer need? And are you swamped by more plastic bags than you'll ever re-use? If so, please bring them to school so that the children can weave a lovely display to highlight where we play CHAMP in the playground! As colourful as possible please; there will be lots of orange bags we're sure, so other colours would be particularly welcome!"

Reminder about Snacks & Lunches

Please can we remind you all that in order to keep all our children safe and healthy, no one should have nuts of any kind in their lunch-boxes or snacks (including those for after school activities). It is really important that we all do this, as some children can be allergic to nuts. Thank you!

Waitrose 'Community Matters'

We are currently one of the options for the 'Community Matters' boxes at Waitrose on Edgware Road. Shoppers can choose to put their green counter into one of three boxes, and the cause with the most green counters receives a donation. It could be us! If you shop at Waitrose (or you know friends who do) please choose our box. Last year we received £400 this way. That sort of money can make a big difference to our school.

International Evening

Just a reminder that this is on Tuesday (28th). I am really looking forward to seeing the children in their costumes during the day and seeing parents and friends after school. Please do come along—it should be a wonderful event.

Club Information

There will be no Football Club or Star Club on Tuesday because of the International evening, but these clubs will return to usual next week. Choir will start on Thursday (30th) at 3.15 in the Music Room.

Circle of Security Parenting Courses

'The Centre', which runs out of St Mary's Church, is running two new parenting groups on Friday mornings (10.15—11.30) from 7th February, and Monday evenings (7.30—9.00) from 1st February. If you think you might be interested please speak to Mrs Leith or contact Jenny Peters at St Mary's Church.

I hope you've all had a good week. Looking forward very much to seeing you on Tuesday evening!
