Ofsted Inspection

As you know, we have had inspectors from Ofsted this week in school. This is because the school was last inspected 5 years ago. The inspectors watched lessons throughout the school, spoke to children, governors and staff and looked at statistical information about the school. We won't be able to let you know about the outcome until the report has been finalised, which will probably be after half term now.

Thank you to all the parents who filled in their parent view questionnaires, or wrote to the inspectors with their views. It is very much appreciated.

Parents' Evenings

Next week, we will be providing opportunities for parents to meet with their children's class teachers.

Y2, 3 and 5 will be holding their meetings on Tuesday and Wednesday.

F1 and F2, Y1, Y4 and Y6 will hold their meetings on Wednesday and Thursday.

Please sign up outside each classroom for your preferred slot.

'While You Wait' for your time slot with the class teacher to arrive, if you would like to talk over how you can best help your child at home with their school work, or home routines that you would like some advice talking over, please come and see our Learning Mentor, Mrs Leith who is here to help you and your child to realise their full potential in school. These informal sessions will be held in the ICT Room from 3.30 on both days.

Sainsbury's 'Active Kids' Vouchers

We will be collecting these vouchers in school, so that we can help our children have more opportunities for health and fitness activities in school. You can find out more by visiting:
