Year 2 Trip to St Paul's Cathedral

Year 2 had a fantastic time and learnt all sorts of really interesting information about what it was like to live during the Great Fire of London, and about Christopher Wren who rebuilt St Paul's after the Great Fire. The children pretended to be Samuel Pepys and acted out putting out the Great Fire using buckets of water in a line. The children were amazed by how beautiful St Paul's cathedral was and said their favourite part was staring at the ceiling because it was so amazing! Also the tube trip was a highlight. The children have written research diaries with all the information they have learnt and today will be writing a report.

Year 6: Trip to Lord's and Marathon

On Wednesday, Year 6 went to Lord's Cricket Ground for an art workshop. They also had a tour of the Pavilion and saw the world-famous Long Room.

As part of the school's Sport Relief efforts, Year 6 took part in a collective marathon run this week—running the whole 26 miles and 385 yards between them. We are all looking forward to their assembly this afternoon to find out more!

Mothering Sunday—30th March

We do hope that as many children as possible will be able to come along to church on Mothering Sunday (and bring their Mums along too!). We have been learning a song to sing specially for the service. There will also be cakes at the end of the service as a special treat.

Wishing you all a great weekend. Best wishes
