Friday 16th May 2014

### Y6 Trip to Chessington

Today year 6 are having a wonderful day out at Chessington, after having completed their SATs tests this week. Here they are:

### Y2 Trip to Isis Centre (Hyde Park)

Year 2 are also on a trip today. They have gone to the Isis Centre in Hyde Park to look at Habitats to support with their learning in Science.

### Volunteering Day

We are having a very busy day in school, too, with a group of volunteers from CEB (a local firm) helping out around the school. They are painting the Music Room to brighten it up for Music Lessons, painting the 'Santa's Grotto' ready for Christmas and helping Mr Riordan with some gardening to keep our grounds looking beautiful. We are very grateful for this help and hope you will enjoy seeing what they have achieved.

### Walk to School Week

Next week is 'Walk to School Week'. We'd like to encourage as many children (and adults!) as possible to leave their cars behind and include some walking in their journey. If you live further than walking distance from the school, try walking to the bus or tube stop (perhaps walking to a stop further on), or leaving your car further away from school and walking the rest of the journey.

It is good for our health, as well as the environment!

### Traffic Island on York Street

Thank you to the parents who have expressed their concern about traffic island disappearing at the junction between Enford Street and York Street. I have made contact with our local councillor, who is taking this matter up on our behalf. Also Mrs Leith is working with Westminster Council's travel plan co-ordinator to find ways we can improve the signage for cars driving past our school. We are very concerned to make sure the school site is as safe as possible for the children to travel to.

### Church Service

Our next school Service is in St Mary's Church on Thursday 22nd May, 9.30. We would love to see parents joining us. Everyone is welcome!

### Coming up

Y6 Cycle training 19th—23rd May

Y6 Kayaking at Westminster Boating Base, starting on Wednesday 21st May

Foundation Stage Pirate Party—21st May

Y3 and 4 to Cockpit theatre—21st May

**End of Term 5: Friday 23rd May 1.15pm**

### Reporting Absences

Please remember that if your child is absent from school for any reason, it is crucial that you call us and let us know why. We need to know where all our children are, and know that they are safe.

### Kit for Clubs

Please remember that if your child has a sports club (including dance clubs), they must have their PE kit ready.

*Best wishes—enjoy the sunshine!*
