Y2 Trip to Isis Centre (Hyde Park)

Last Friday, Year 2 went to the Isis Centre in Hyde Park to look at Habitats to support with their learning in Science. Here they are on their trip:

Y3 Art Trip to Hyde Park

Y3 also went to Hyde park this week, but to look at sculptures to help them with their Art topic this term. Nor in Y3 wrote this about the trip:

'We walked by 8 fountains before going to our first statue. The statue was called Peter Pan, he was a boy that was 9 years old and never grew up. After that we put some information on our chart and started to sketch bits of the statue.'

Next Year 3 came to a sculpture of a swan which was made of a really useful glass called fibreglass. As well, some of us saw a swan on the lake with her wings out and it looked like she was the queen of the swans.'

Here they are on their trip:

Ofsted Update

Yesterday, one of Her Majesty's Inspectors (HMI) visited the school to see how much progress we have made since our Ofsted inspection. He will be writing a letter about his findings, which we will send out to you as soon as it is published.

Do please keep checking the school website for our updates on what's happened since Ofsted, as everyone is working really hard to make sure the school will be graded 'Good' next time.

Coming up

Next term, each class will have the opportunity to try rock climbing at the Seymour centre. This is one of the ways we are using the Government's spots funding to widen the children's experiences of sport.

The Life Education Bus will be here at St Mary's on 3rd and 4th June. Hopefully you have all had a letter about this already. As part of the programme of events, there is a workshop for parents at 8.55 on Wednesday morning (4th June). There is also a 'Harold Activity Book' which you can buy to continue looking at the topics at home, at a cost of £2.

Year 2 at the Wallace Collection Thursday 5th June

F2 Class assembly Friday 6th June

Y6 Class assembly Friday 13th June

I hope you all have a wonderful half-term break. Although it's been a short term, it has been an incredibly busy one! We are looking forward to seeing you all back on Tuesday 3rd June (remember, Monday 2nd is an INSET day—no school for the children).

With all best wishes

By Norman
