Easter Bunny Hop Fundraiser

On the last day of term, everyone took part in the bunny hop event to raise money for both Sport Relief and school PE resources. The wonderful Friends group set up several obstacle courses across the playground, including space hoppers, benches, skipping, beanbags and egg and spoon balancing. All the children, from F1 to Year 6 had a go at completing the obstacle course as many times as they could.

A huge thank you to the parents and staff who worked so hard to organise the event, to the sponsors who supported the cause, and to the children who took part so enthusiastically! The event raised £1,100! Congratulations to Isobel Buyukertas in F2, who raised the most money for the school and will receive a prize.
