## School Newsletter

Friday 9th May 2014

### Walk to School Week

From 19th May, we will be having a 'Walk to School Week'. We'd like to encourage as many children (and adults!) as possible to leave their cars behind and include some walking in their journey. If you live further than walking distance from the school, try walking to the bus or tube stop (perhaps walking to a stop further on), or leaving your car further away from school and walking the rest of the journey.

It is good for our health, as well as the environment! Do think how you might be able to take part.

### School Dinners

The cost of school dinners for this term is £35.15. Please see Ms Cahill to pay for the term if you haven't already.

*Hopefully you enjoyed the extra day on Monday—especially as the sun was shining! It's been a very busy week, especially for Year 6 who are preparing for their SATs tests next week, and Year 2 who are already doing their assessments. There is a lot to look forward to, with a wonderful range of trips and workshops planned to enhance children's learning.*

*Best wishes for a lovely weekend,*
