Rottingdean Trip

On Tuesday, Year 5 and Year 2 went on a day trip to Rottingdean, a village in East Sussex on the coast. They looked at the features of the village, comparing them to our central London locality, created artwork and paddled in the sea! Everyone had a fabulous day.

'Wiser Walking Project'

Today children in Year 6 took part in Westminster's Wiser Walking project. Mrs Leith said: *"It is so exciting to see the children gain the confidence they need to make independent decisions about when to cross the road. It's a pleasure for the school to be able to welcome an expert who can equip the kids with the sorts of skills that might end up saving their lives."*

Here they are on Marylebone Road:

Church Holiday Club

Message from St Mary's Church:

If you are looking for something fun for your kids to do over the summer holidays why not book your child on for St Mary's church holiday club from Monday 25th - Friday 29th August 2014. It's a fun packed week with sports, games, crafts, stories inspired by the bible and much more! For more information and to book one of the remaining places please contact Kirstine@stmaryslondon.com

Eco Day

On Wednesday, a group of volunteers from British Land came into school to work with our School and Playground Councils on issues around pollution and the environment. They surveyed passers-by and created this lovely mural about tackling pollution.

Coming up

- Musical showcase—14th July 2.30pm
- Y5 Wigmore Hall concert— 16th July 2.30 and 6.30pm
- End of Term church service—17th July 9.15am
- Choir trip to St Matthew's—17th July 10.00—1.00
