Sports Day

Congratulations to the Yellow team who gained the most points at Sports Day on Monday—they won by just 1 point! We all had a wonderful day at Paddington Rec. The sun shone and there was a great atmosphere. Thanks to Mr Carroll for arranging a great range of activities and all the staff for making everything run smoothly. Well done, too, to all the parents who braved the 3-legged race with their children!

'Wiser Walking Project'

Our school is taking part in Westminster's safety project for year 2 and 3 children, as well as a more advanced Transition to Secondary School version for year 6.

Are you able to help us please? A good number of adult helpers are needed to accompany the staff and children.

The details are: 11th, 15th and 16th July, at either 9 am, 11.15 or 1.15 for just one hour each.

If you are able to help, this would be fantastic! Please let Mrs Leith know via the office. Many thanks.

Staff Goodbyes

Very sadly, we will be saying goodbye to 3 of our teachers at the end of term. Mr Carroll is moving to another job in London, Ms Landau is relocating out of London and moving to a school close to her new home, and Ms Lindsay is moving to a school closer to where she currently lives.

We will all miss them when they leave, but wish them all best wishes for their new roles.

Multi -Skills Trips

Several classes have been to Regents Park to take part in multi-skills activities. Here are Year 2 at their event:

Parents Evenings

You should receive your child's report on Monday 7th July. If you would like the opportunity to discuss the report in more detail, please sign up to see your child's teacher. The teachers are offering slots on either 9th or 10th July, after school.
