Anti Bullying Week-

'Let's Stop Bullying for All'

Next week is anti-bullying week and we will be particularly discussing ways we can prevent bullying, and what we should do if we think someone is being bullied.

This year, the focus is on protecting 'children with special educational needs or a disability' due to the fact that, according to the Anti Bullying Alliance, these children are 'more at risk of Bullying than other children'.

In St Mary's, we will be reminding all the children of the different kinds of bullying, what children can do about it and that it is NEVER ok.

Parent information packs will be sent out on Monday, a detailed information pack will be on the front desk in the school office and please try and talk with your children about what they can do with *any* bullying they experience or witness- in person or on the internet.

Please don't hesitate to see Mrs Leith or any class staff for more help and information.

It is very important to us to ensure that we care for and respect one another at St Mary's and therefore bullying is not acceptable.

Everyone is welcome to come and we look forward to celebrating with you.

We have had a really fun day today dressed up as super-heroes to raise money for Children in Need, which is an excellent cause supporting disabled and other needy children around the UK. Thank you for your support. I have also enjoyed spending much of my week watching some of the great teaching which goes on in our school and seeing how well children are learning.

We have a lot to be proud of!

Best wishes
