Putting a Positive Spin on Discipline

Join The Centre for drinks and nibbles with other local parents/carers and a chance to hear from the experts.

Sick of your child's backchat and want to find different ways of engaging with them? Fancy the carrot rather than the stick?

We all want our children to be well behaved and sometimes we find it difficult to deal with them when they aren't. At this seminar we will be thinking about how to ensure less yelling and more co-operation at home. We will also look at how positive discipline can work in a school environment as well as at home.

Speakers

Jenny Peters, Director, The Centre

Emily Norman, Head Teacher, St Mary's School,
Bryanston Square
