

ST MARY'S BRYANSTON SQUARE

School Newsletter

Friday 20th March 2015

Trips, trips and more trips!

Lots of classes and groups have been going out of school on exciting trips to enhance their learning. Year 2 have been to St Paul's Cathedral to learn about the Great Fire of London:

FI went on a Spring walk:

Year 5 went to Stamford Bridge to learn about history through football, and meet illustrator Michael Foreman

And the school choir went to the Royal Albert Hall to take part in 'Prom Praise' with lots of other schools from all over London:

(this is us!)

Coming Up:

Year 2 Parents' meeting about SATs—Thursday 26th March at 2.30
Year 1 Parents' workshop about Maths Mastery—Friday 27th March at 3.30
Church Service (9.15), Bunny Hop (10.30) and End of Term (1.15) - Thursday 2nd April

Easter Bunny Hop

After the success of last year's Bunny Hop event, the Friends will be re-running it this year. You will soon be receiving a letter which includes a sponsorship form.

We hope that any children who are able to will try and get some sponsors for their bunny hop around an obstacle course. It's for two great causes—Sports Relief and our own school PE resources. You will see the new equipment we now have as a result, in the playground. So do please support us again!

Message from Mr Moss

Calling all coders!

> Are you looking for a way to support St Mary's? Do you have experience of code, using Scratch, HTML & CSS and/or Python? Our Code Club needs a volunteer for the Summer Term to work alongside year 5 children after school over 10 weeks. Job-share considered if availability is tricky. Please speak to Mr Moss for more details.

We are all very excited about the solar eclipse today (if the clouds part and allow us to see it!) - an event that only happens a few times in a lifetime. It reminds us how precious life is, and how we need to cherish each moment. This has been a week of great moments, and we hope for many more to come.

Best wishes for the weekend,

By Norman
