

# ST MARY'S BRYANSTON SQUARE

## School Newsletter

Friday 24th April 2015

### Thank you!

We are extremely grateful to the wonderful Friends of St Mary's who organised the excellent Bunny Hop event on the last day of term, and also laid on a beautiful afternoon tea for staff on 1st April.

Thank you to everyone involved in the Friends, and all the other parents who support our school and make it such a special place.

### Lunch Boxes

Well done for the fantastic efforts with your lunchboxes this week. You may also find small notices in the lunchboxes as a reminder of healthy choices to try.

Together, we are helping to make St Mary's a happy, healthy school for all our children!

\* **Toy Library.** Mrs Leith is starting up a Toy Library and so if you're having a spring clean at home and come across any board games, puzzles or activity books or toys you no longer need and feel able to donate them to the new School Toy Library, then this will be brilliant. Thank you! If you would be interested in helping out with this club, please contact Mrs Leith via the school office.

### \* Enjoying Being 3!

This will be a fun workshop session for all parents in F1, about how to help your child to be happy and 'school ready' for Reception in September. This is on **Weds 29 April at 9am.**

### Attendance

It's great to see you all back after the Easter holidays.

Just a reminder that we finish on **Tuesday 21st July** and restart on **Thursday 3rd**

**September.** As you know, the government have tightened up the law considerably on term-time holidays, and we are required to make referrals to the Local Authority if families have unauthorised absences during term-time, which can result in penalty notices. Please think very carefully before booking any holidays, and make sure you will be back at school in time for the start of new school year. Thank you.

### Internet Safety Seminar

This is an area of growing concern for many of us, with the technological world advancing so quickly. The Centre are offering a seminar for parents on this topic next Thursday evening (30th April). There are up to 15 free places available for St Mary's parents. If you would like to attend, please let Mrs Leith or me know and we will put your name on the list.

For more information, see [www.thecentrelondon.com](http://www.thecentrelondon.com)

### Cheer for Mr Moss on Sunday ☺

On Sunday, Mr Moss will be running the London Marathon. We all want to wish him the best of luck. If you go down to the route of the marathon, you might even see him!

*Our school focus this week has been on caring for the environment. It's always good to think about how we can keep our school clean, tidy and safe, and also how we can protect the world around us. I have already heard some great ideas!*

*Have a great weekend*

*By Norman*
