Summer Fair: Message from the Friends

- if you can help out on the day (set up, during the fair or tidy up, or any of these), please sign up in the office or let the Friends know
 - if you have any nearly new toys and good quality books you want to donate, please do so by Wednesday 10th June
 - calling all bakers: can you bake something delicious to sell at the fair? Please let us know and bring your creation to school from 9.30 am on the day of the fair
- Thank you!

School Council trip to Parliament

On Wednesday, the School Council visited the House of Commons to find out about how decisions are made in Parliament. They asked some really insightful questions and learnt a huge amount about democracy in action. Hopefully this will help us all to be an even more democratic school!

Westminster Mile

On Sunday, some of our pupils, staff and parents took part in the Westminster Mile. Well done!

Building Works

Hopefully you have all received the letter from Jon Ward, Chair of Governors, about the building works taking place next to the school. We are in constant contact with the contractors, and the following safeguards are in place:

- Windows overlooking the playground from the temporary offices will be obscured
- The entire structure of the site will be fully enclosed with acoustic screening to minimise dust and noise
- The method by which the foundations are put in will be less percussive and therefore less disruptive
- The rear fence is to be reinforced/supported
- Triple glazed windows have been fitted to the Year 4 classroom to cut out noise
- They have agreed to refrain from using heavy machinery close to the school boundary during playtimes

If you have any questions or concerns, please do come and speak to us.

With all best wishes for the weekend—it looks like it should be sunny. Maybe summer is finally on its way...!
