

ST MARY'S BRYANSTON SQUARE

School Newsletter

Friday 10th July 2015

Sports Day

Last Friday, Years 1 to 6 went to Paddington Recreation Ground for Sports Day. It was a popular day for Sports – at least two other schools were there, too!

Our children were exemplary, especially when we all stopped for the two minute silence for the victims of the Tunisia attack. There were very good examples of sportsmanship, as well as some brilliant natural athleticism shown (not just by the teachers). Well done, St Mary's, and thank you to Miss Bell and Mr Angell for organising the day.

Tower of London Trip

Last week, Year 1 went to the Tower of London to enhance their learning in History. Here they are:

Parents Evening

If you would like to discuss your child's school report with the classteacher, please sign up to see him/her on Tuesday 14th July. You can sign up on a sheet in the office, or by emailing Ms Lo at office@stmbs.org.uk

Eid

We understand that Eid is likely to fall on either 17th or 18th of July this year. We understand that if it is on 17th, families may need the day to celebrate this special time with their families. Please note that the advice from the Local Authority is that all children should be back in school on 20th and 21st July and absences should not be authorised for Eid on these dates. Children who are absent for religious observance are still eligible for the 100% attendance prizes.

End of Term Dates

Our end of year church service will be on **Thursday 16th July at 9.15**—parents are welcome in church at 9.00 for coffee.

There will be an open morning for Y1 and 2 parents on **17th July** at 10.00, followed by a picnic.

The Year 6 leavers' assembly will now be on **Monday 20th July**.

We will hold an end of year Attendance assembly, where we will find out who has won the attendance prizes, on **Tuesday 21st July at 9.00**. Parents are welcome to attend.

School finishes at 1.15 on Tuesday 21st July and restarts on Thursday 3rd September.

SATs results

All our results are now on our website, on the 'Ofsted Update' page. We have continued to achieve broadly in line with the national averages, and in some cases are achieving above. There are big improvements in EYFS, Phonics and KS2 Writing particularly—fantastic!

I hope you all have a very restful and enjoyable weekend,

Emily Norman
