F2 Trip to the Isis Centre

F2 visited the Royal Parks' Education Centre in Hyde Park yesterday to observe and compare mini-beasts and create artwork inspired by nature. One child enjoyed it so much he said "I wish I lived here!"

Y3 'Howzart'

After Y3's trip to Lord's last week, they have been working hard on their artwork inspired by the cricket ground.

This week, we have been learning about Peace in assembly. **Sagi and Sandra attended Victory Day celebrations for the end of WW2. Sagi (Y5) wrote this:**

'On 9th May, Russian people celebrate Victory Day. Many people in the world take part in the Immortal Regiment. We want to get together and honour the memory of our relatives by carrying their portraits high above our heads, to show them that we appreciate and respect the price they paid for the Peace on our planet. We must always remember the history because it is part of us.'

British Land gift for the Library

We are delighted that local company, British Land, have given St Mary's £10,000 to help us create a school library. We have a space ready (upstairs) but no books or furniture for the space. With the local library closing recently, it is wonderful that the children of St Mary's will have access to a library of their own and be able to read a wide range of books at every age.

A huge thank you to everyone at British Land involved with our school (both volunteers and our school Governor).

We are really pleased to have such a good partnership.

Wear it Wild Day

Next Friday, everyone is invited to dress up as an animal to celebrate 'Wear it Wild' Day and bring a £1 donation for WWF (World Wildlife Fund) who support endangered animals. Look out for Y2's beautiful posters around the school, encouraging us all to take part.

Please don't go and buy a whole new outfit—be as creative as you can. Perhaps you have a t-shirt with an animal on it, or animal ears you could fix to a headband? Even just a bit of face paint can make a big impression!

NOW

Thursday 26th May—Church Service 9.15

Friday 27th May—school finishes at 1.15; Y6 to be collected from RADA at 2.00 or back at school at 3.00

School restarts at 9.00 on Tuesday 7th June (INSET day on 6th)

We continue to be very proud of our Y2 pupils taking the new SATs tests. Their attitude is exemplary and we know they have all tried their best. Well done!

Have a great weekend.

Best wishes, **Emily Norman—Headteacher**
