Puffin Virtually Live

On Monday, Year 5 and Year 6 went to Sadler's Wells theatre to film a 'Myth Writing Masterclass' show for Puffin. Rick Riordan, the author of the Percy Jackson series of books, was showing the children how to write a great mythical story. There were also team GB athletes who give tips for great sprinting, and the event was hosted by Radzi Chinyanganya from Blue Peter. The children had a brilliant time, and came away with writing tips, a 'Camp Half Blood' t-shirt and a copy of the Lightning Thief book.

Yesterday, the children were able to watch the show being streamed around the world!

Year 1 Trip to Regent's Park

Year 1 visited Regent's Park last week to extend their learning about trees in Science. They learnt the names of some different trees and found out the difference between deciduous and evergreen.

Wear it Wild Day

Today is 'Wear it Wild' day at St Mary's, where the children can dress up as an animal in support of WWF's campaign to protect endangered animals. We are looking forward to seeing which different animals the children will come dressed as! Keep an eye on our website for more information.

WEAR IT WILD
27 May 2016

Queen's Birthday Street Party

St Mary's Church are hosting a street party to celebrate the Queen's 90th birthday on Sunday 12th June—everyone is welcome to join in! It will be in the piazza, in front of the church.

Messages from Mrs Leith

Thank you to all the parents for all your great support with Walk to School week! Keep up the great walking and scootering! Watch this space for the super display of the children's posters very soon!

Coffee mornings will restart after half term as usual, every Wednesday 9 til 10am.

This has been both a fun-packed and challenging term for everyone, with many trips, workshops and exciting events taking place, as well as the new SATs tests for Year 2 and Year 6. Thank you to all the staff, children and parents for their support this term and for making St Mary's such a special school. I hope you all have a wonderful half term break.

Best wishes, *Emily Norman*—Headteacher
