Y1 Trip to Natural History Museum

On Thursday, Year 1 visited the Natural History Museum as part of their topic on Dinosaurs. Here they are on their trip:

Y6 Trip to BMW

On Friday, Year 6 pupils were invited to visit BMW in Camden for a workshop on the future of cars and technology. They got to try out Virtual Reality glasses (and bring some back to school!), programme robots and make wallets out of indestructible material. It was a superb day!

Y6 Young Enterprise Project

Thank you for supporting Year 6's enterprise projects last week. We were extremely proud of how they took responsibility for their businesses and conducted themselves so professionally. Well done, Year 6.

Coffee Morning

Wednesday 29th 9am Our Educational Psychologist, Alex Haswell, returns for this great session: The Secure, Happy and Resilient Child—Attachment. Please sign up so we can ensure there are enough participants to be able to proceed with this.

*What a week it was last week! As you know, we had our visit from **Ofsted**. We should have the report to share with you in about 3 weeks time. It is certainly a relief that it has finally happened. We hope the final report will reflect all the hard work that everyone has put in to making this school what it is today. I am extremely proud of every member of St Mary's—well done!*

We are also all thinking about the 'Brexit' result, and are hoping and praying for there to be peace and harmony in our country, whatever happens next. Here at St Mary's, we love and value everyone in our community, and we truly celebrate all the different cultures we have here—we see it as a real strength of our school.
