

On Wednesday 22<sup>nd</sup>, Year 2 went on a trip to Rottingdean. When we got there, we started <sup>to</sup> walk down the paths of the small, quiet village and walked carefully up the steep rocky hill. When we got to the top, I collapsed on the short, green grass and started eating my lunch that was delicious! After lunch we went to the beach. I went paddling first. The big, salty waves got me soaking! A few minutes later, we went back to school.
