

Our trip to Rottingdean

By Lucy

Last Wednesday 22 June Year 2

went to a beach in Rottingdean. We travelled there by a coach which was a bus.

My favourite part was paddling because it made my dress all wet. My group for paddling had 5 huge waves. I saw a rock pool in the middle of the huge rocks. When we were on the beach we saw strange rock and even some rocks of from older days.

What a wonderful day!
