### F1 at Pizza Express

On Wednesday, F1 went to Pizza Express on Baker Street. The children were able to make a classic Margherita. It gave our children a great experience while picking up some useful skills as well. The children learnt how to knead the dough and create the perfect base. They discovered the importance of using fresh ingredients and they also had a chance to taste some ingredients. The children returned to school with their very own hand-made pizzas. They all loved making their pizzas and all behaved well. Many parents came to help for which we were very grateful.

### Y1 Multi-skills

Also on Wednesday, Year 1 went to Regents Park for a multi-skills event, where they could practise a range of different sporting activities. They had a lot of fun in the sun.
