Year 5 visit the Bank of England

This week, Year 5 went to the Bank of England Museum in the City of London. The Museum explains how our financial system works, provides the History of banking in the UK, and gives children the opportunity to handle real gold and examine bank notes. The children were particularly excited to see the brand new £5 note.

Coffee Morning

Coffee morning restarts on Wednesday 21st with information from Mrs Leith for new parents, and an introduction to 'Circle of Security' parenting from Jenny Peters. All parents are welcome to attend.

Year 1 Violin Lessons

This week, Year 1 pupils have started learning the violin with London Music Masters. They have lessons 3 times a week, and they are learning how to hold the violin, the different sounds the strings make and musical notation. We are delighted to be working with London Music Masters, who are now also supporting Music throughout the whole school, training our teachers and offering resources and ideas.

Year 1 parents are very welcome to join their children for the morning sessions to see what they are learning. We will also hold concerts throughout the year, showcasing their learning.

Year 1 Cycling Lessons

Year 1 have also been learning how to ride a bike, with Cycle Confident, who are working with our school to encourage healthy ways to travel.

We will be having special assemblies and courses going on through the term to upskill pupils throughout the school in confident and safe travel.

I hope you have all settled back into the school routine. Thank you to the parents who came to their 'meet the teacher' meetings. I will be starting to see Year 6 parents about Secondary School next week—if you haven't yet signed up, there is still a chance. Do please come and discuss your child's next step with me.

I wish you all the best for the weekend,

Emily Norman—Headteacher
