Tag Rugby Competition

This week, pupils from Year 5 and 6 took part in a Westminster borough tag rugby competition. They played extremely well, winning their initial 3 matches and being placed in the **semi finals!**

Ms Bell and Mr Riordan were extremely pleased with the children's behaviour, attitudes and skill.

Well done—we are very proud of you!

Healthy Lunches

Ade Dawodu, our school nurse, visited this week and carried out an audit of our packed lunches. He really enjoyed speaking with the children about the food they were eating and felt that our children were well informed about what was healthy. He will carry out a follow up visit later this term. Please look out next week for our packed lunch guide which will be sent out to all children who have packed lunches. An electronic copy will also be on the website for you to see.

They met 3 Olympians, who inspired the pupils, they tried out different Olympic sports and competed for medals. Well done to Khadija for winning gold in the girls' sprint race and Panos winning silver in the boys' sprint. Olivia, Elise, Sandra and Matilda also won the Year 3 girls relay—congratulations.

Coffee Morning

Coffee morning on Wednesday 5th October will be an Internet Safety Workshop for Parents, essential learning as we support our children growing up in a digital world. All very welcome - toys for your toddlers, refreshments and as always, a warm welcome!

Parents: would you like some really helpful tips, information and techniques to support you as a parent? There is an excellent course starting soon, called '**Circle of Security**' (circleofsecurity.net). Places are limited, so please see Mrs Leith for more information as soon as possible.

Clubs

All of our clubs are up and running now, and we are glad to see so many children taking part. *Please note that Breakfast Club is currently full.*

If you are dropping your child off at an early morning club, please do so in the hall via the back gate (through the car park). If you are collecting from an after school club, please wait by the school office. We cannot accommodate parents in the clubs themselves (except for violin lessons) due to safeguarding restrictions, so please do respect the drop off/ collection points. Thank you.

Wishing you all a super weekend,

Emily Norman—Headteacher
