Year 3 Visit to London Zoo

This week, Year 3 pupils visited London Zoo to help them learn about more about their Science topic. They have been studying skeletons and their functions (protection, support and movement). During a workshop at the Zoo, they learned about how many animals have the same types of bones as humans. They then observed many different animals at the zoo, and saw how their bones and muscles help them to move.

Christmas Plays and Services in school:

Please invite your friends and family!

Dates for the term

Golden Class Assemblies:

Friday 25th November—Year 1

Friday 2nd December—Year 2

9th December—Christmas Fair

11th December—Christingle Service at St Mary's church, including St Mary's school choir

11th December—Christmas tree sale

Coffee Morning

Coffee Morning on Wednesday is about 'Playground Games'. As we continue to equip children to have happy and fun playtimes, please join us for this fun session to learn some easy activities and games to share with your children for their own playtimes. Tag games, rhymes/handclapping games, skipping or ball bouncing games etc. And if you have any games you can recall from your own childhood we can share them together! It should be a lot of fun!

Mrs Leith would like to say a huge thank you to everyone who took part in the bike exchange/sale. It was a great success!

This week, we have been talking about stopping bullying, and how to love people who are difficult to love. How do we do that and what does it mean? Please keep discussing these important topics with your children at home. It makes all the difference.

Wishing you all a lovely weekend—

Emily Norman, Headteacher

Premium grade Nordmann Fir non-drop long lasting Christmas Trees, purchased wholesale by the Friends of St Mary's School and priced competitively compared to local retailers.
