Girls' Football Tournament

This week a group of Year 5 girls took part in a Westminster-wide football tournament at Paddington Recreation Ground. They played valiantly and won half of the games they played. Miss Bell says: 'One of the teachers from Queen's college commented on their sportsmanship which was excellent and they also initiated a friendly match against Hampden Gurney at the end of the competition as neither got into the semi-finals. They approached the other school's adult and organised it themselves so it was great to see their enthusiasm.'

Well done girls, we are very proud of you.

Year 4 Royal Academy of Music Performance

On Tuesday, Year 4 pupils performed the Music they had composed with students from the Royal Academy of Music. They had been using 'Planet Earth II' as their inspiration and wrote a whole piece which included a song the class wrote, and instrumental interludes performed on percussion instruments to describe different animals. They performed with confidence and passion, and we all loved it!

International Day 3rd March 2017

International Day—Message from the Friends:

'On March 3rd we have our International Day in the hall at 3:15. It is a chance to share your country with the rest of the school. Parents and children dress in the costumes of their country, or prepare food to share with others or play some music and show information about their country.

If you feel able to organise something, however small, we would love to see your country represented. Please let Suzy or any members of the 'Friends' know if you are interested.'

Parent Questionnaires

Please find attached a parental questionnaire, which asks you about your child's experience of school and also your experience of school. Please be honest, as we use this information to plan how we can further improve the school, and also the sorts of coffee mornings and events we run. Do also ask your child about school when completing it.
