Y6 Junior Citizen Workshop

On Tuesday, Year 6 took part in a Junior Citizen Workshop at the London Transport Museum. The children are taught life skills essential to being a responsible member of our community. This was done through different real-life scenarios, such as how to travel safely on public transport, how to approach dogs in public, safe use of the internet and what to do in case of a fire. They also had a great picnic in St Paul's gardens and played team-building games as a class.
