Safety Update

As part of our whole school focus on feeling safe this term, we will be having weekly drills to practise various safety scenarios. Sadly, with recent events, these are more necessary than ever. However, please do not be alarmed; they are routine drills which enable the whole school community to know how to respond in an emergency.

With regards to school trips, we are following the LA advice to continue all trips. Our risk assessment process is very robust and all trips will have contingency plans in place. Some classes will be asking for parent volunteers to ensure high adult-pupil ratios and we would like you to consider if you would be able to support us in this way. Many thanks.

PLEASE WEAR GREEN ON FRIDAY 23rd JUNE AND BRING £1 TO RAISE MONEY FOR THE VICTIMS OF GRENFALL TOWER

Thank you, Lord, for the doctors, firemen and police who helped all they could by fighting the fire and comforting people.
Thank you for the friendly neighbours, who let victims stay with them and for the people who donated things.

Summer Fair Update

This year, instead of a summer fair, we will have a summer concert in school, followed by a food and drinks reception in the playground. The concert will be at 2.15, followed by refreshments from 3.15.

Unfortunately, we have not had enough parent volunteers this year to be able to run a full summer fair. If you would like to have a fair in the future, please consider signing up to help the Friends.

Coffee Morning Reading Course

For the next few weeks, the reading course will continue to replace coffee mornings, but all are welcome!

Have a lovely weekend and please keep safe,
Emily Norman, Headteacher
