Lion King Dance Workshop

This week, a dance teacher from 'The Lion King' West End show came and led the children in a series of dance workshops. They had a fantastic time (despite the heat!):

Y5 British Museum Trip

On Monday, Year 5 visited the British Museum. Firstly, they saw the legendary Rosetta Stone, which they had studied in their Ancient Egypt topic. Next, one of the curators of the Museum gave them a talk about the oldest mummified body there (from approximately 5,500 years ago). Finally, the children had a chance to use mobile phones to create their own multimedia tomb paintings, to represent what they would like in the afterlife, had they lived in ancient Egypt.

Summer 2 Dates:

Golden Assemblies (9.05am):

Friday 30th June—Year 5

Friday 7th July—Year 4

Thursday 6th July—KS2 joint service at All Souls 10.30

Tuesday 11th/ Wednesday 12th July—Parents' Eve

Thursday 13th July—Church service & Y6 Play

Friday 14th July—Music concert

Monday 17th July— Sports Day

End of term = 1.15pm on 19th July.

Year 1 Orchestra 'Sit-in'

Yesterday, our Year 1 children sat in an orchestra rehearsal, listening to professional musicians play a piece by Monteverdi. They had an amazing time and loved hearing the different instruments close-up.

Thank you to London Music Masters who organised this for us.

Water Issue—Apologies

We are sorry for the early closure yesterday due to the water to our school being switched off. We took advice from the Local Authority and given the heat and the possible hygiene issues, this was deemed the best course of action to take. Thames Water have rectified the issue, and we now have running water again.

Thank you to all the parents who came early and collected children; your co-operation was greatly appreciated. We are also thankful to St Mary's Church for the use of their toilets.

Coffee Morning Reading Course

For the next few weeks, the reading course will continue to replace coffee mornings, but all are welcome!

School Uniform & Term Dates

Please look carefully at our revised uniform for September. There are particular changes for F2 children, who will be wearing the same uniform as F1 next year to help facilitate their play. You can find this on our school website if you would like to refer to it.

Also on our website are the TERM DATES for next year. Please take note of these before booking any holidays.

One of the ways we are working hard to keep the children safe is by trying to combat air pollution. With the Baker St 2-way scheme starting this summer, it is even more important we all do our part. If you drive, please try not to park in front of school, and please switch off your engine whenever you can. Even better: walk, cycle or take public transport! Thank you.

Have a wonderful weekend & Eid Mubarak to all our Muslim families! Emily Norman, Headteacher
