Remember, the Summer Holidays start at 1.15 on 19th July. Please make sure your holiday dates match with ours.

Dance Club—spaces available

We have some fantastic new Dance Club instructors this term, and the children are having an amazing time! There are still spaces available if your KS2 child would like to join. Boys and girls welcome. Tuesday at 3.30.

Here they are—please also see our website for a short video of the club.

Oxford Street Consultation

There is currently a consultation taking place about pedestrianising Oxford Street. Whilst this is attractive to tourists and people who visit the area, there is a local concern that traffic will be re-routed through Marylebone.

Please take the time to look at the information. A flier about this provided to us by concerned parents is attached to this newsletter.

General Election 2017

Children of all ages have been showing a keen interest in the General Election. Year 6 discussed all the policies and voted—in this case, Labour won! The children's understanding of issues that affect them, such as funding of schools, police officers and hospitals, has been very impressive.

As the news comes in of a 'hung parliament' result, and uncertainty in times ahead, it is very hopeful that we have such engaged, socially responsible and well-informed pupils. We pray for all our politicians as they move forward, and for Mrs May as she makes decisions about the future.

Coffee Morning Reading Course

For the next few weeks, the reading course will continue to replace coffee mornings, but all are welcome!

Helping my Child with Reading is being run by Westminster Adult Education Service. The first one started this week and was extremely helpful. Every Wednesday 9 - 11 in the ICT room. Please see Mrs Leith if you want to join.

Our Value for this term is 'Feeling Safe'. With events in London over the last week, this is a crucial issue to be exploring.

If your child has questions, we recommend this Newsround presentation:
