Year 2 at London Zoo

Yesterday, Year 2 visited ZSL London Zoo for a workshop on identifying and classifying animals. They were so fortunate to be able to walk there—what amazing places we have on our doorstep! They also saw London Central Mosque on the way and enjoyed walking through the park.

Sports hall Athletics

Children from years 3,4,5 and 6 have been taking part in Westminster-wide athletics events during the past week. Last week, Year 5 and 6 competed, and this week was Year 3 and 4's turn. The children were delighted to return with the 'Honesty' award, which is one of our school values! Well done!
