Year 6—at the 'Marylebone Garden' building

On Tuesday, Year 6 visited the building site across the road: the M&G 'Marylebone Garden'. They had a tour of the site, spoke to several members of the construction and management team (including the site manager, marketing manager and quantity surveyor) and had an opportunity to ask questions about the site. They learnt about all the different jobs required to construct a project of that scale. The children also signed some ceiling tiles, which were then placed into the suspended ceiling, to be discovered at a future date!

Book Week activities

1. **World Book Day** is next Thursday and parents are invited to attend a special book-themed assembly on Thursday at 9.05am.
 2. Children will have information regarding the Vocabulary Parade and there is information for parents to read. This will be handed out by the class teachers.
 3. The Scholastic Book Fair will be in school week beginning 19.03.18 for the week.
- For more information about Book Week, see the back of the newsletter.

School Website & Internet Reminder

Did you know that there is information about all the different subjects we teach, and ideas for parents to help, on the Curriculum section of our website? Do have a look! We also post children's work there. Also, please make sure you are aware of everything your child watches and accesses on the internet. There are some wonderful things online, but not everything is suitable for children. We are attaching a useful fact sheet about Youtube. Please take the time to look through it and discuss it with your family. Thank you.

Uniform Reminder

Please can I remind parents to check your child has the correct uniform for school. In particular, every child should be wearing black shoes—not trainers or boots. Trainers should only be worn for PE lessons.

Children in F1 and F2 should now all be wearing tracksuits, which is a change from last year.

PE kits must be brought into school every week; PE is a crucial part of the school curriculum.

It is important to be prepared for school every day, so please make every effort to adhere to our school policy (attached).

Coffee Morning

THURSDAY 1st March - a special 'Bike It' coffee morning with some outdoor activities! Please come to Book Day assembly, then stay for the coffee morning afterwards.
