Science Week

This week has been Science Week, and the children have been experimenting and hypothesising—both at home and at school. Early Years have been growing beans in little green houses, and have been making ocean habitats for the seahorse in Eric Carle's 'The Little Seahorse'.

Year 6 'Easter Experience' at All Souls

Yesterday, Year 6 went to All Souls' church to take part in the 'Easter Experience'. They investigated various 'crime scenes' to work out the mystery of who might have been responsible for the death of Jesus. It was a really creative way of exploring the story!

We had a wonderful time on Sunday in church for Mothering Sunday. My Mum (and Dad) really enjoyed it, too, and loved meeting so many lovely children and parents. Thank you to parents for their wonderfully kind good wishes, and notes to me. It will not be easy to leave somewhere as warm and caring as St Mary's School... Wishing you a restful weekend,
Emily Norman, Headteacher
