Year 6 trip to Oxford

On Monday, Year 6 travelled to Oxford to get a taste of University life! They visited Wadham College, where they met students, ate in the refectory and had a tour of the college. They then toured Oxford to learn about its history and the famous authors who lived and studied there. It was a really good day, which enabled the children to think about their own futures.

Year 5 trip to the British Museum

On Tuesday, Year 5 visited the British Museum to learn about ancient Egypt. They had a fabulous time looking at the Mummies and discovering some of the artefacts. They watched a film about life in ancient Egypt, too.

Year 1 trip to the Tower of London

On Wednesday, Year 1 visited the Tower of London as part of their Castles topic. They had a fantastic time, looking at the historical artefacts in the Tower and learning about its history.

Coffee Morning

There won't be a coffee morning next week. Coffee mornings will resume as usual on Thursday 22nd March.

We've had a wonderful (busy!) week at St Mary's. It really is such a fantastic school. Today, I told our school community that I would be moving on to become a student instead of a teacher, because I love learning so much. It has been a very hard decision and it will be extremely difficult to leave. But I know that the school has a brilliant team of staff and governors who will ensure it carries on doing a great job for the children. I look forward to see St Mary's go from strength to strength.

I hope you have a great weekend. Please do join us on Sunday in church for Mothering Sunday. I will be there with my own Mum!
