Play Street

Yesterday, we ran our second after-school 'Play Street' event. It was a great success, with lots of children and parents enjoying the beautiful weather out in the street. This year, we had even more biking activities with the ever-popular smoothie bike and a disco bike, paint bike and bike jewellery. Another great addition was the miniature green park, which was lent to us for the afternoon, where children and adults could sit and relax. We had games provided by MyTime Active, crafts from St Mary's Church and a bountiful fruit stall. A group of Year 6s seized the opportunity to sell ice-creams for their Young Enterprise project, and we all enjoyed the face-painting.

Huge thanks to everyone who helped out, especially those who set up and packed away.

It was another reminder of how different the street is without traffic. We are very excited that traffic will have more limited access to Enford Street from September, particularly during drop-off and pick-up times, thanks to Westminster council.

Year 2's Visit to the Hindu Mandir

Last Friday, Year 2 visited the Swaminarayan Mandir in Neasdon as part of their RE topic on Hinduism. They were astonished by how white and shiny it was, and how enormous! The children really enjoyed looking at the intricate carvings all over the temple and learning about how it was built. They were able to observe a prayer ceremony, too.

Parents' Coffee Morning

Next week, 21st June, Kate from Stonewall will come to talk to parents about questions that arose during 'Family Week' - why this work is important in tackling all kinds of bullying, and in ensuring all members of the school community feel included and valued. All welcome.

Staffing for next year

A few people have been asking who will replace me in September. The Governors have worked really hard to put together an excellent plan for the school which will be revealed very soon! Watch this space...

Green for Grenfell

We are all in green today to remember the victims of the awful Grenfell Tower disaster, which happened this time last year. 72 seconds' silence was kept this morning in assembly. We hope you will join us in praying for and/or supporting those who have been affected by this tragedy. They are forever in our hearts.

We wish all our Muslim families Eid Mubarak, and to everyone a very blessed weekend.
