Year 2 Release Their Butterflies

Year 2 have been carefully watching caterpillars transform into butterflies this term, observing how they change. Last week, they finally released the butterflies into the open so that they could fly free!

Joint Service with All Souls

Last Monday, we had a lovely service with All Souls' school at St Mary's church. We sang a selection of our favourite songs on the topic of being 'fearfully and wonderfully made', St Mary's led the readings and All Souls led the prayers. Both choirs also sang beautifully. Our rendition of 'This is Me' will be repeated at the end of term service on Thursday 19th at 9.15.

Golden Assemblies / Services

Year 4—13th July 9.05

Year 6 end of year performance—13th July 1.45

Parents' evening for parents wishing to discuss their child's school report—Wednesday 18th July

End of term—Friday 20th July at 1.15

School restarts on Tuesday 4th September at 9.00

Attendance

Please make sure you keep coming to school right up until the last day of term, and arrive on time. Our attendance and punctuality is currently **well below** the national average, which is such a shame as it means that children are missing out on wonderful learning experiences. Ms Clarke-Harding, who will still be working with the school in September is keeping a close eye on the attendance of each individual child and checking whether they have achieved their targets or not. I am really looking forward to finding out which children have met their attendance targets and am busy shopping for super prizes for those children. Prizes and awards will be given out on Friday 20th July at 9.05. Well done especially if you have 100% attendance for the whole year. This is fantastic!

Data Protection (GDPR)

*Please note that due to GDPR, school reports can only be handed to the child's parent. If you are unable to come to school on Friday, please come to the office to collect the report next week.

Our Data Protection Officer is now John Pearson-Hicks at the London Diocesan Board for Schools. If you have any questions about GDPR, please ask me or contact John via the school office.

I hope you all have a great week and enjoy the last week of the World Cup (whoever you support!) ☺

Emily Norman, Headteacher
