This week, we have been...

Enjoying the bonus sunshine! KS2 took part in our school cross country competition today, and we were lucky enough to be joined by some classes from All Souls.

Green Team, Playground Council and School Council all had their first meetings and the children had some great ideas about how we can make our school even better.

Message from Mrs Leith

Coffee AM- Thursday 27 Sept 'What will my child be learning in their class this year?' How can I find out about all of my child's topics this year? We will look at how to navigate the extensive information in the School Website to help to understand and support your child's learning. For Parents of ALL year groups - everyone is very welcome! Your babies and toddlers too! Refreshments and toys. Look forward to seeing you there! Mrs Leith.

Circle of Security Parenting Course- the course planned will now be postponed and rearranged in the near future. Please see Mrs Leith for further information

Toys

Just a reminder that children are not allowed to bring toys to school (unless they have been asked to for a special lesson). This includes Lego cards and Pokemon cards. Thank you!

Start of the day

We are really pleased with how calm the start of the day is with soft start. We would just like to remind you all that the school gates are open from **8:45**. All children must be supervised by their adults unless they are in Year 5 or Year 6 and have permission to come to school by themselves. Children should not

be in school before this time unless they are in Breakfast club or any of the morning clubs.

Attendance Champions

Our school attendance target is 96% and we need everyone's help to help us reach it! Each week, we celebrate the class who have the best attendance.

This week our attendance champions are Y4 with 98.2%—well done!

F1 96%; F2 90%; Y1 93%; Y2 98%; Y3 96%; Y5 96%; Y6 97%

Keeping children safe online

The internet is a fantastic resource but it can be hard to keep up with all the new sites and games that children are using. Before the holidays, we sent home information about a survey we are doing to find out about how we can support you to keep your children safe. So far, 3 parents have completed it but we want to hear from lots more of you! The link to the survey is <https://goo.gl/forms/5k4NfCji0NVrkLC2> Please ask Mrs Leith or me if you need help accessing it.

There is also a great e-safety magazine which is free to download. <http://www.esafety-adviser.com/latest-newsletter/>

As always, please let us know if you have any concerns or questions about your child's online activity.

Autumn officially starts on Sunday so enjoy the last of summer!
