

To the Minister or Priest.

Please complete the attached form and post it in the envelope provided.

We have recently received an application for a place at this school for:

Name: \_\_\_\_\_

Date of Birth: \_\_\_\_\_

Whose parents state that they worship in your church.

Because we are very oversubscribed, we have to try to gain some idea of the extent of parents' participation in the life of the worshipping community, in order that genuine practising Christian families are given priority over nominal members or children attending without parental participation.

Would you be so kind as to return the form overleaf, in the envelope provided, straight to the school.

We are sorry to have to ask you to undertake yet another chore when we know how busy you are and we are most grateful for your help.

Yours sincerely

Alix Ascough  
Executive Headteacher
