

A guide to spotting dragons By Levi

Many people believe that dragons are mythical beasts. But we saw them on Monday. Dragons have been spotted in our school. We had to search if we could find them.

The playground.

When looking for dragons, start in the flowerpot then go to the mushrooms. They like to hide inside the flowerpot. Milad noticed a dragon between the gate. Me and Yousef spotted one behind the bench.

The hall

Dragons like to hide in dark boxes. We noticed a fire-breathing dragon inside a violin. Yousef spotted a small scary dragon on top of the champion writer. Board. When Yousef told us, it vanished.
