

St Mary's Bryanston Square CE Primary School

Home Learning Pack Year 1

This pack has been created to provide learning activities and tasks for your child at home during the period of a school closure. Any work that is completed, please keep this and you can share this on your return to school.

Follow any updates on our school website: <https://www.stmarys.bryanston.net/>

Your Year 1 Home Learning Pack

You have an English, maths and other learning pack. Each has activity ideas, either using the practical print outs provided or on websites.

Keep reading for 10 minutes every day with your child and write in their reading diary. Additionally please ensure you do **at least one** activity for English, maths and other learning each day.

Please note that all suggested websites have been checked by the school, however we cannot manage the oversight of any external websites. There are some e-safety rules included as well.

While we are not able to guarantee the work will be marked and checked, we would love to see any work your child is particularly proud of or would like to share once we are back in school.

Thank you for all your support over this time. Your child will greatly benefit from any time you dedicate to their learning!

Remember our e-safety rules!

1 Keep Your Passwords Secret

Except from Parents.

2 Don't Talk to Strangers

Only talk to people you've met in person.

3 Don't Give out Your Phone

Unless a parent says it's okay.

4 Close and Tell an Adult

When you see something bad online.

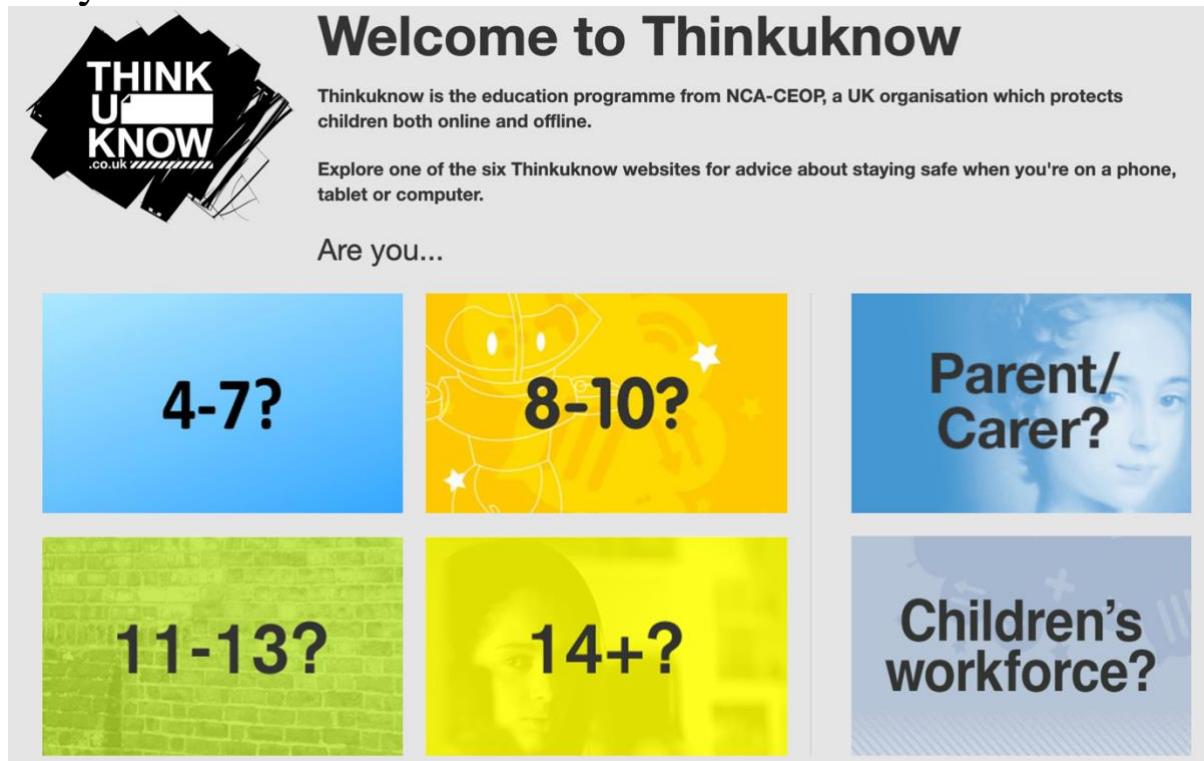

5 Ask Before you Download

Or Your Computer Could get Sick.

6 Only Say/Share Nice Things

Always Be Kind!

Why not find out more on this link here:

The image shows the 'Welcome to Thinkuknow' page. On the left, there is a logo for 'THINK U KNOW' with the website address 'co.uk'. The main title 'Welcome to Thinkuknow' is in large, bold, black font. Below it, a subtext states: 'Thinkuknow is the education programme from NCA-CEOP, a UK organisation which protects children both online and offline.' Another line of text says: 'Explore one of the six Thinkuknow websites for advice about staying safe when you're on a phone, tablet or computer.' To the right, there are six colored boxes representing different age groups and roles:

- 4-7?** (Blue box)
- 8-10?** (Yellow box, featuring a cartoon character)
- Parent/Carer?** (Blue box, featuring a photo of a person's face)
- 11-13?** (Green box)
- 14+?** (Yellow box, featuring a photo of a person's face)
- Children's workforce?** (Blue box, featuring a photo of a person's face)

Maths

ACTIVITIES

- Name and group 2D and 3D shapes (shape poster in pack)
- Practise spelling numbers to one hundred
- Find different number bonds and show in different ways:
 - On a tens frame (in pack) with counters (you can use any small objects around the home e.g. paperclips as counters)
 - On a part whole diagram (in pack)
 - As a number sentence
- Practise number bonds to 10 and 20 till they know them off by heart
- Practise working out simple addition and subtraction number sentences. To help them your child can use:
 - Number line
 - Tens frame
 - Part whole diagram
 - Drawings
 - Counting in their head
- Practise skip counting in 2s, 5s and 10s up to 100
- Practise sharing a number of objects between people
- Practise grouping a number of objects (e.g. we can fit 2 sweets in a bag. How many bags will I make?)
- Practise making number sentence families
(E.g. $2 + 3 = 5$, $3 + 2 = 5$, $5 - 2 = 3$, $5 - 3 = 2$).

To help them your child can use:

- Tens frame
- Part whole diagram

- Complete the mid-year revision questions (in pack)

English

TOP TIPS!

For all writing make sure your child is sitting at a table and holding a pencil properly. Make sure they always remember capital letters, finger spaces and full stops.

ACTIVITIES

- Recap all phase 2, 3 and 5 sounds (using the sound mats) – practise Use jolly phonics songs to support: <https://www.youtube.com/watch?v=26uXtUYssuo>
- Write a recount of your day
- Practice your cursive handwriting (using the handwriting lines and example words)
- Practise spelling the days of the week (in the pack)
- Practise spelling the Year 1 Common Exception Words (in the pack)
- Read a story and retell in your child's own words. Free audiobooks:
<https://www.researchify.co.uk/audiobooks.html>
- Read a story and write your own version
- Write a letter to your favourite book character

- Create a story bag (find a bag and collect items to go in that relate to the story. Draw pictures for items you can't find)
- Write a postcard to a class friend or a teacher – tell us what you have been doing and what you like most about being at school

Other Subjects

SCIENCE

- Find 5 everyday objects from your home, draw them and label what the objects are, the materials they are made from, and some of the properties the different materials have
- Learn the months of the year and create an artwork about the different seasons. How do they change the weather? Which do you like best and why?

RE

- Watch videos about the Easter story and retell it by writing a story, drawing a comic strip, acting it out with toys or role playing with family members
<https://www.youtube.com/watch?v=0PSgoPdKQFQ>
<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks1-the-christian-story-of-easter/zhgv47h>

HISTORY

- Research Queen Elizabeth II's childhood. What did she wear? What games did she play? Play some of the games she might have played and make a costume as well if you would like!
- Research Queen Elizabeth II's coronation. Watch videos of it (<https://www.youtube.com/watch?v=inKSvLk7kil>). Create a crown and role play the coronation at home. Think about: what happened? Why was it important?

PE

- Practise different ways of travelling and balancing on different body parts

DT

- Help your adult to cook a meal. Think about what is going in it and the different steps. See if you can write some instructions using words like first, next, then etc.

COMPUTING

- Practise typing skills. Websites to support: <https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr#zgkpn39>
<https://www.typing.com/student/game/type-a-balloon>
- Play games that practise mouse control on Purple Mash (login card in pack)
<https://www.purplemash.com/sch/stmarysw1h>

PSHCE

- Create a poster about staying healthy, focusing on washing our hands and washing our bodies regularly. Think about why we do this and why it keeps us healthy.
